(Revised Jan. 2019)

CAMP JCC OF YOUNGSTOWN PHILOSOPHY

Camp JCC at the Jewish Community Center (JCC) of Youngstown strives to help each child grow as an individual and also to become a positive influence and participant in our society. We emphasize the development of self-confidence and a positive self-image in a safe environment as well as supporting the self-esteem and self-confidence of others. An integral part of the program is building a foundation for a positive identity of self and society. This is done through teaching respect for self and others. Diversity is a part of our society and cultural awareness is taught as a basis for understanding self and others.

It is the purpose of the camp to provide a warm and caring atmosphere throughout the summer. Judaic values and concepts will be incorporated into many of the activities to provide new learning experiences.

BEHAVIOR MANAGEMENT POLICY/DISENROLLMENT

Guidelines for behavior at Camp JCC reflect our philosophy of providing a caring atmosphere for the children in which they are encouraged in positive ways to be responsible for their own behavior. The staff will set limits and rules which the children are able to understand and are appropriate to their level of development. All behavior guidelines will be fair, consistently applied and will be reinforced regularly. There will be no physical punishment or verbal abuse by staff members. Time out or removal of privileges may be used in extreme cases. If there is a need for additional discipline, a meeting may be requested with the parents to work out a behavior plan. Camp JCC has a No Tolerance Policy for physical violence, profanity, or bullying. All families and children will sign a Behavior Expectation contract. This contract explains what falls under the No Tolerance Policy and outlines the course of discipline by Camp JCC should the policy be violated:

1. **1st offense, child will be immediately removed from their group and miss the remainder of the activity**
2. **2nd offense, child will be immediately removed from their group and sent home for the day (No refund will be given for time missed)**
3. **3rd offense, child will be suspended for the remainder of the week and reviewed for potential disenrollment from Camp JCC (No refund will be given for time missed)**

Camp JCC welcomes diversity in all forms. However, JCC staff members are not certified to work with students with special needs. We will do our best to work with you and your camper should there be any accommodations your camper requires during the camp day. Should Camp JCC not be the right fit for your camper based on their specific needs and/or accommodations, we will evaluate whether or not we are able to provide your camper with the best summer experience possible.

LUNCH and FOOD REQUIREMENTS

Camp JCC does not provide meals or snacks to campers. The only food we provide is a popsicle at flag time before dismissal. Campers are expected to come to camp with a packed lunch. The JCC no longer maintains strict kosher guidelines throughout the facility. Families may now bring meat (**with the exception of any pork or shellfish products**). In addition, meat and dairy products may also be combined. However, The JCC's main kitchen, Adult Lounge and outside grill will continue to be maintained as strictly kosher areas. No food may be brought into these spaces without prior JCC staff approval nor can any food be cooked in these areas without proper supervision. When Camp JCC is providing the food for an event, we will still follow all existing kosher guidelines.

All lunches must be 'cold' lunches meaning they will not need to be heated. Please remember to pack a drink for your child. Campers are not permitted to purchase snacks or drinks at the JCC vending machines. Food may NOT be shared with other campers due to potential food allergies. **Refrigeration will not be provided so please pack cold packs, if you prefer, in order to help keep your child's lunch cold.** Please have the child's name prominently visible on all lunch containers. The JCC will keep a minimal food supply for children whose lunches are lost or have become inedible.

CAMPER'S BIRTHDAY TREATS

If you would like to send treats for a camper's birthday, please notify the Camp JCC Office. Remember that the food **MUST** be store bought due to food allergies.

MEALS FOR FIELD TRIPS

Unless the Camp Director has instructed otherwise, campers will be required to bring their lunch with them in a **brown paper bag on field trip days**. This is in the interest of time as we want to make sure our campers get the most out of the few hours they have at each field trip location. Please do not send your camper on a field trip with a regular lunch box as we want to eliminate the chance of losing or leaving a lunch box behind. If we do permit lunch or food to be purchased, we will let you know ahead of time. If they are allowed to purchase food, campers will be permitted to order off menus at their own discretion. If you are actively concerned about what your child eats while away, please see the Camp JCC Director to work out arrangements.

EMERGENCY PROCEDURES

Camp JCC has devised several procedures to follow in the event that an emergency would occur while a camper is in our care. In the event of a fire or tornado, staff would follow written instructions provided by the JCC. These instructions describe emergency evacuation routes and the procedures to be followed in order to assure that campers arrive at their designated spots and are all accounted for. Should we need to evacuate due to fire, weather conditions, the loss of power, heat or water, our emergency destination is Akiva Academy. A sign will be posted on the front door of the JCC indicating that we have been evacuated and the location where you can pick up your camper. Parents will be contacted as soon as possible to come to pick up their camper. If a parent cannot be reached, we will contact the emergency contacts as listed on your camper's enrollment information.

There is always at least one staff member present that has received training in First Aid, Communicable Diseases Recognition, Child Abuse Prevention and Recognition, and CPR. In the case of a minor accident/injury, staff will administer basic first aid and TLC. If the injury is more serious, first aid would be administered and the parents would be contacted immediately to assist in deciding upon an appropriate course of action. If any injury is life threatening, the EMS will be contacted, parents will be notified, and a staff member will accompany the camper to the hospital with all available health records. Staff may not transport campers in their vehicles. Only parents or EMS will transport.

An incident/injury report will be completed, and given to the person picking up the camper on the day of the incident/injury. The parent/guardian will be notified immediately by phone if any of the following occur: The camper has an illness, accident, or injury which requires first aid, the camper receives a bump or blow to the head, the child has to be transported by emergency vehicle, or an unusual or unexpected event occurs which jeopardizes the safety of the camper. If a camper requires emergency transportation, the report will be available within twenty-four hours after the incident occurs.

SAFETY PROCEDURES

All Camp JCC staff is responsible for the campers safety at all times. Campers will be assigned to a group and supervised directly by a Senior Counselor for that group during all activities. No camper shall be left alone or unsupervised for any reason. Only approved staff including Unit Heads, Senior Counselors, Junior Counselors, Leadership Team, or the Director will have supervision responsibilities for campers. All persons responsible for supervision of campers will have access to a cell phone at all times. Campers are responsible for staying with their groups at all times. If a camper becomes separated from the group, the group will stop and stay where they are. The Director will be informed and a search will be initiated for the child. JCC Managerial Staff will be notified and help in the search for the camper.

SECURITY

The Jewish Community Center has security officers on campus during all normal business hours. This means that there is an off duty police officer on security detail at all hours that Camp JCC is in operation. In addition, a security officer spends each day outside with us during lunch, playground time, and pick up and drop off, as well as monitoring activities throughout the day alongside our staff to ensure the safety of our campers.

On rainy days all campers must be dropped off or picked up at the Akiva Academy doors using the entrance located in the back of the JCC. Drive past the front entrance of the JCC and pull around down the driveway where Noah's Park playground is. Camp JCC staff will be ready at the doors.

AM/PM Care Drop Off/Pick Up Requirements

AM/PM Care opens at 6:45 a.m. and closes at 6:00 p.m. each day.

Drop off for AM/PM Care in the morning is past the front desk, through the double blue doors, and down the stairs in the ELC wing. Pick up in the afternoon will either be in the same room or from the playground. The front desk will not page your child for pick up, you must go pick them up and sign them out with a Camp JCC staff member.

Your camper must be pre-registered in AM/PM Care and on the attendance list.

If a camper in PM Care is not picked up by 6:00 p.m., an additional \$35 late pick up fee will be charged after one warning. These fees must be paid before your camper can participate in any further sessions.

Drop Off List

For their protection, campers will **ONLY** be released to individuals specified on the camper pick up list, or if you have given us written permission for them to be picked up by an approved person. You can add people to your approved pick up list at any time through your online account. Individuals must have a photo ID when picking up campers.

Custody Agreements

If there is a custody agreement that affects camper pick up/drop off or emergency situations, we must have a copy of the agreement on file in the camp office so we can release the child to the proper individual.

FIELD TRIP SAFETY AND PROCEDURES

All campers must be dropped off by the designated time for departure on field trip days. Buses will leave promptly to ensure our on time arrival. If you are late and miss the bus, **you may drive your camper to the field trip location or keep your camper home.** If you bring your camper to the field trip location, you will then be responsible for notifying the Camp JCC Director that your child is at the location. If there is an admission fee you may need to pay these fees for yourself and your camper since all entrance fees for the group are paid for either beforehand or upon arrival. This cost will not be reimbursed. If you choose to keep your camper at home, you will not be reimbursed for the missed day.

Occasionally a scheduled field trip must be rescheduled or changed due to weather or other incidents out of the control of Camp JCC. If this happens, we will have an alternate field trip arranged (i.e. Movie Day at a local movie theatre) or a theme day at the JCC.

For scheduled late return field trips, we will return by approximately 5:00 p.m. Please consult Camp JCC's website for a list of field trips. The Camp Director will send an email prior to the week of any scheduled field trips with pertinent information regarding the trip.

All campers **MUST** wear their Camp JCC t-shirt on field trip days to make them easily identifiable as a JCC Camper. If your child should forget or lose their shirt, one will be provided. If you do not return the extra shirt you will be charged a \$10 fee.

ADD OR DROP FEES/CANCELLATIONS

Camp fees are determined each year and are subject to change yearly. Sessions must be paid in full or you **MUST** be enrolled in an automatic payment plan before the first day of camp, including any specialty fees and AM/PM Care fees. If there is a missed payment or declined payment, your camper cannot attend camp until this payment is made. There will be no refunds given should your camper not be allowed to attend camp due to a missed or declined payment.

No refund for partial sessions will be given. You must sign up for the session dates as determined by Camp JCC. You cannot mix sessions, i.e. coming 2 days of one week and 3 days of a second.

If you should need to cancel, add, or change choices of a session, notice must be given to the Camp JCC Director **by the Thursday of the week prior to the start of the session**. No changes will be accepted after a session has begun. No refunds will be given for any session after this time. No refund will be honored if notice is not received by the deadline stated. Sessions have limited space available and changes or additions will only be made based on availability.

If a camper is going to be absent for any reason, you are expected to notify the camp office. If a camper is absent for two days and no call is received, every attempt will be made to contact the parent/guardian to find out why the camper is absent. You are responsible for fees regardless of a camper's attendance.

If a camper is dismissed from Camp JCC due to a violation of the Behavior Expectation Contract, no refund will be given.

SWIMMING

All campers should be prepared to swim each day of camp. Campers will swim every day of regular camp, as well as on certain Wednesdays for theme days or field trips. We will let you know beforehand if your camper does not need to bring a bathing suit with them on a Wednesday.

All campers will participate in swimming instruction and recreational swim. Campers will have time to change out of their play clothes and into their bathing suits before swim time. They will then change back into their play clothes after swim time has finished. Please provide a plastic bag for wet suits and towels.

The staff-child ratio will be maintained while children are participating in swimming or wading activities. A lifeguard will also be on duty at all times when children are in the water.

The pool safety rules will be strictly followed. The child's swimming abilities will be determined during their lesson time with the WSI (Water Safety Instructors) before a child is allowed to swim.

Once their swimming abilities are determined they will be given a **red**, **yellow**, **green**, or **blue** band that tells the staff, lifeguards, and campers what parts of the pool they are permitted to swim in. Red bands indicate the camper will remain in the shallow end, yellow bands indicate the camper can swim to the middle of the pool but not the deep end, and campers with green and blue bands can swim in any part of the pool. These colored bands will also indicate which instructional swim group your camper will be placed in.

If your child is not swimming on a certain day, you must provide a written note with an explanation. If a note is not provided, your camper will be expected to swim. If a camper does not have a swimsuit, Camp JCC staff will attempt to contact their parent/guardian to see if they can bring a swimsuit. If they are not able to, your camper will sit in the bleachers in the pool area during swim time.

WHAT TO WEAR

We encourage campers not to wear “good clothes” to camp. A simple outfit of shorts and a shirt is fine. Secure, closed-toe athletic shoes are required. **Sandals, Crocs, and hard or black soled shoes are not allowed.** In order to minimize loss, we do not encourage campers to leave extra clothes at camp. Remember to label all clothing and shoes, socks, towels, lunch boxes etc. Camp JCC is **NOT** responsible for the loss of any personal items. Campers will store their belongings in the room designated for his/her group. Lost and Found items will be placed in a box in the camp office. Items that are not picked up within two weeks will be donated to Goodwill.

ELECTRONIC/MULTIMEDIA EQUIPMENT

AND PERSONAL ITEMS

Camp JCC is a time to experience nature, fun and activities with peers, and to gain a respect for self and others. We want to encourage these interactions **WITHOUT** electronic or multimedia equipment. No electronics or multimedia items are to be brought to camp. If items of this nature are brought to camp including, but not limited to: cell phones, handheld games, or tablets, they will be collected by a staff member, labeled, and held in the camp office until the end of the day.

Campers are not permitted to bring personal items from home such as soccer balls, trading cards, stuffed animals, etc. This is to ensure that campers are actively participating in all scheduled activities.

The policies listed above apply to all camp programs, including traditional day camp, speciality camps, overnights, late nights and field trips. If an exception to the policy is made (i.e: bringing games for the overnight), the Camp Director will notify parents and guardians via email.

CONTACTING CAMP

All calls to Camp JCC go through the JCC’s main telephone number (330) 746-3250. The Camp JCC office may be reached directly by asking the receptionist to speak to someone from Camp by extension 152. Due to the nature of camp, staff is not always available to take calls. However, your calls are important to us and we will make every effort to return your call within 24 hours.

If your call is urgent, please make sure to tell the front desk and they will contact the Camp Director immediately.
